New Jersey State Senator Raymond Lesniak
985 Stuyvesant Avenue
Union, NJ 07083

Dear Senator Lesniak:

This is in response to your request for EPA's position on the New Jersey Department of Environmental Protection's proposed Coastal Zone Management rules, Stormwater Management rules and the Flood Hazard Area Control Act rules. Please find attached our July 30, 2015 letter. These concerns remain.

The proposed regulations have not changed. EPA continues to have concerns as identified in our previous letter.

Sincerely,

JLM
