

Welcome to the 2010 New Jersey Survey of District Teacher Evaluation Systems.

This survey is required by the federal government for Federal State Fiscal Stabilization Funds (SFSF) and the results are reported to the federal government. Please note the following:

- You must collect and organize certain information before you can respond to some questions on this survey. Thus, it is important that you read the accompanying guidance document for instructions before attempting the survey.
- This survey requires that you complete the data input in one session.
- Be sure to print out a copy of your data to file locally.
 - Print each page of responses before clicking the "Next" button and moving on to the next page. The survey cannot be printed once submitted.
 - If the printed copies do not show the selected answers, please see this [help article](#).
- In responding to this survey, please include as "teachers" all full- or part-time staff in your district who are under contract and serving under a NJ instructional or educational services certificate.

TEACHER EVALUATION DATA

If you have fewer than 10 teachers in your district, continue the survey at question 13. DO NOT answer questions 9-12.

ANSWER QUESTIONS 9 - 11: If you answered a YES in QUESTION 8 AND you have MORE THAN 10 teachers in your district (to protect confidentiality). Remember, in this survey the term teacher means full- or part-time contracted staff working under a NJ instructional or educational services certificate.

DO NOT ANSWER QUESTIONS 9 - 11: If you answered only NO in QUESTION 8. This means you do not give a single, summative rating or level from a single scale. For example, you may give multiple ratings on multiple scales which are not combined into a single summative rating, or you may use a narrative summary only, or you may use a combination of factors. In any of those cases, skip answering 9-11 and continue the survey at question 12.

For questions 9A and 9B: Follow the directions to complete the data tables below about your summative performance ratings or levels for teachers in SY 2009-10.

9A) List the names of the categories used in your rubric or rating scale (such as outstanding, satisfactory, needs improvement, etc) using line 1 for the highest/most accomplished. If your scale has fewer categories than 10 please leave the extra lines blank.

REPORTING OF TEACHER EVALUATION DATA

10) Do you publicly report the total number and percentage (including numerator and denominator) of teachers in THE DISTRICT rated at each summative performance rating or level each year?

Yes

No

11) Do you publicly report the total number and percentage (including numerator and denominator) of teachers in EACH SCHOOL rated at each summative performance rating or level each year?

Yes

No

If you have answered questions 9-11, you do not have to answer question 12. Please continue the survey at [question 13](#).

12) This question is only for districts that DID NOT answer questions 9-11 AND have more than 10 teachers: As a result of your district's evaluation process, how many teachers in SY 2009-10 met your criteria for acceptable performance?

Print this page for your records before going on to the next page. You will not be able to print this page at a later time.

Public Reporting

As noted in the guidance document, the federal government is now requiring states and districts to provide information to the public on their processes for evaluating teachers and principals as well as summary ratings data where these exist.

- * 13) What publicly accessible website address will be used by your district to report this information?

Please provide the URL here:

- 14) Please add any other comments or clarifications you would like to provide about your district's teacher evaluation system.

Attention: Your survey will be submitted when you click the DONE button below. Print this page for your records before clicking DONE.
